Bethany College

Bethany, W. Va.

The 1973-74 school year at Bethany College was a year of involvement on and off campus. The overwhelming enthusiasm of the Freshmen brought the campus alive for the first time in years. The students created an opportunity for the Upperclassmen to become a part of Bethany tradition once again. And for the first time since I can remember, the Faculty and Administration took an interest in campus activities. Most of the fraternities and sororities pledged the largest classes in quite a while. The Bethany College athletic teams had outstanding season records. It certainly was a year of involvement for everyone at Bethany College.
